As this is your last year with the yearbook staff, we would like to thank you for your 20 years of wonderful service and may your future endeavors be as fruitful. Arts High says farewell to a beloved music teacher

The faculty and student body of Arts High School said their last farewell to a beloved teacher and friend, Mrs. Theresa Prizgintas. A music teacher for twelve years at Arts, she taught music workshop. Mrs. "P" always placed a high value on the education of her students, a value even higher than her own personal health. Her retirement in January brought together the entire school in a musical tribute. Mrs. "P" will be missed.

Vocal majors have a very productive year

Mrs. Laniers choral groups have achieved a great deal of success this year. The Freshmen-Sophomore Women's Chorus, Freshmen-Sophomore Mixed Chorus, and Arts High Singers received critical acclaim and high ratings by musical evaluators.

Mr. Howard's Chamber Chorus has been very busy this year performing many places: from the Annual Christmas Concert with the N. J. Symphony Orchestra to performing for senior citizens. They also took part in a national choral festival.

Instrumentalists receive top ratings

The Arts High School Orchestra, and Concert and Jazz Bands had a very successful school year. They received superior or outstanding ratings by the adjudicators at the Big Apple Festival and the Region I Orchestra Festival. In addition to these, they performed in many other places including the Teen Arts Festival in Newark and New Brunswick. Congratulations to Conductors Cleveland and Klelis as well as to Nova Duncan, Concert Mistress.

The art department had a very successful year. Freshman worked hard to create beautiful drawings and displayed extraordinary three dimensional paintings in the cases in the front lobby. Seniors Edgar Ramirez and Linda Maldonado and Sophomores Kyle Moe and Caridad Nunez won prizes in the Brotherhood Week poster contest. Congratulations should be given to teachers Mr. Kyrejko and Mrs. Thomas for their expert guidance. Juniors produced intricate drawings and impressionistic paintings. Beautiful sculptures were created in the Art Two classes. Fine senior art examples can be found reproduced in the senior section of this publication.

Drama Department has exciting year

The Arts High Drama department had a very exciting and productive year. "Murder, Marriage and Mirth" was performed in January under the direction of Mr. Jack Gardner. Ms. Long's sophomores presented an emotionally involving vignette on Heritage Day. Ms. Brazell's classes presented a stunning "Billie Holiday" in March. An evening of one act plays was presented in May. Choreographer Carolyn Dorfman, Artist-in-Residence, continued her work with the department expanding their awareness of movement in dance. The Drama Team won first place in the State Drama Competition, setting a high standard. Lamar McCloud won the Governors award for his dramatic monologue. The drama department continues to make us proud.

Scope Staff showcases student talent

The "Scope" endeavors to print the activities of the Arts High School students as well as showcase their talents in poetry, photography, and writing. One of the major events for secondary school editors is the Columbia University annual journalism conference. Thus far the staff has been successful in their tasks. Much credit should be given to teacher and advisor, Mrs. Pat Curvin.

The System Success program provides special support service

The System Success program provides special support service to physically challenged students, their parents and their teachers; enhancing the educational experience of the participants. Students are actively involved on an annual basis with Leadership 2000-Howard University. The yearly program held in May celebrates the events of the year, and serves as a social gathering.

Arts High is an outstanding environment for special students to grow and develop into productive young adults.

I'd like to commend the senior members of the Girls' Track Team on a job well done. This graduating class of 1991 was my first head coaching assignment (1987). They were in essence the trail blazers for what has turned out to be one of the top track and field programs in the state. They have been members of 5 state championship seasons, 5 Essex County titles, 4 conference crowns and the last Newark city league victor. But more than the winning these lovely, multi-talented young ladies have been part of a family. They have set forth a standard of excellence in the classroom, on the stage and on the track that will be cherished for years to come. These young ladies built the fine reputation we all now enjoy, in a word "tradition". You all will be sorely missed, I love you and will never forget you. Good luck in all your future endeavors and please keep in touch. Strive to be the best in whatever you do. Stay focused . . . Coach Dickerson
